Quarterly Operations Note (Sample Document)

This is a **synthetic sample** created to demonstrate layout-preserving extraction. It mixes **bold**, *italic* and ***bold-italic*** words inside normal wrapped paragraphs so the emphasis tags can be checked line by line.

1. Summary

Orders grew **18%** quarter on quarter. Delivery times improved, although *returns* in the electronics category remain above target. The team recommends a **weekly** review until the rate falls below *3 per cent*.

2. Key figures

Metric	Q2	Q3	Change
Orders	12,400	14,632	+18.0%
Avg. delivery (days)	4.1	3.6	-0.5
Return rate	3.9%	3.7%	-0.2 pts

3. Next steps

• Pilot the new courier partner in **two cities**.
• Publish the *returns playbook* for the support team.
• Re-check all figures before the ***final board pack***.

Prepared as demo content; all numbers are invented.
